

627th Air Mobility Support Squadron

Using Kaizen Tools to Address ERI Defi

By Ian Swann
Chief of Quality Office

Overview

- **The Problem**
- **Use of Kaizen Event**
- **Results**

The Problem

- **Correct ERI Deployment RED Rating**
 - Tasking - Vehicle UTCs Only
 - Host Base Deployment Function Required
 - Squadron Deployment Process Needed Attention

Kaizen Events

- **Kaizen 'A State Of Mind'**
- **Not Action Workout**
- **Utilizes AWO Tools**

Make Our People Review Their Processes

Benefits Of Kaizen Events

- **Short - 3 to 5 Days**
- **Continuous Process Review**
- **Get Leadership and Process Owner's Buy-in**
- **Uses Tools From the AWO Without The 'Pain'**
- **Enables Workers To Implement The Changes**
- **Follow-up**

Kaizen Events Completed in 1999

- **Passenger Terminal AWO Review**
- **Logistics Aircraft Recovery**

Kaizen Events Scheduled in 2000

- **Deployability - 4-11 April**
- **CAB Information Decimation - 17-21 July**
- **Systems and Communications - September**
- **TRK - December**

Use of Kaizen Event

- **Address RED in Deployability**
- **Commander Charters Kaizen Event**
- **Goal: 12 Hours**

Work the Problem

Preparation Work

Our Paradigms Are Our Limit

The image shows the front cover of a book. The background is a dark, textured green. In the center is a large, faint, light-colored illustration of a stopwatch. Overlaid on the stopwatch is the title of the book in a white, serif font. The title is arranged in three lines: "Business Process Quality", "Management:", and "The Three-Hour-House".

Business Process Quality
Management:
The Three-Hour-House
